<u> </u>	
Comment. This is the first time that Soviet troops were of Halberstadt.	oserved in 25)
Comment. Presumably one of the three trains which,	
went from Altengrabow to Templin on 22 July	
Comment. The AAA shipment presumably involved AAA units of Div which went from Velt	en to Kroepelin
Comment. Probably entraining of light AAA units of the 31s	
went to Forst Zinna on tw	o trains
	sferred to Forst
Zinna These movements near Kuhburgsberg in the post training area account for the fact the barracks installations in Neuruppin were occupied not to cape	
Comment.	Arty Brig (US),
it is believed that the two trains carried artillery units of the which returned from firing practices at Jueterbog. the AAA column seen on 14 July belonged to the 121st (?)	9th Gds Tank Div
Comment Entraining of AAA units of the 121st (?) AAA Regt Tank Div which transfer	t of the 9th Gds
STANDED OF the V TRANDE VAN	
Comment. No information has been received on a shipment where the state of the stat	nich left
